Youth-
A time of happiness
and of trials,
days of pleasures,
hours of vital
thoughts.

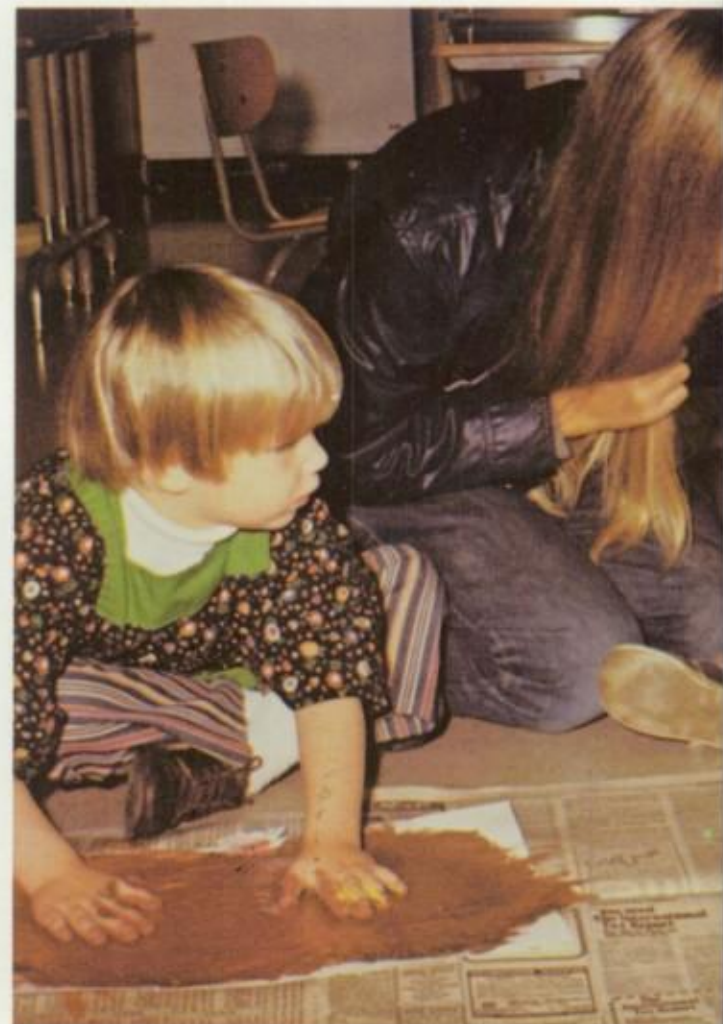

Ideas conceived,
responsibilities faced.
work, study,
experience.

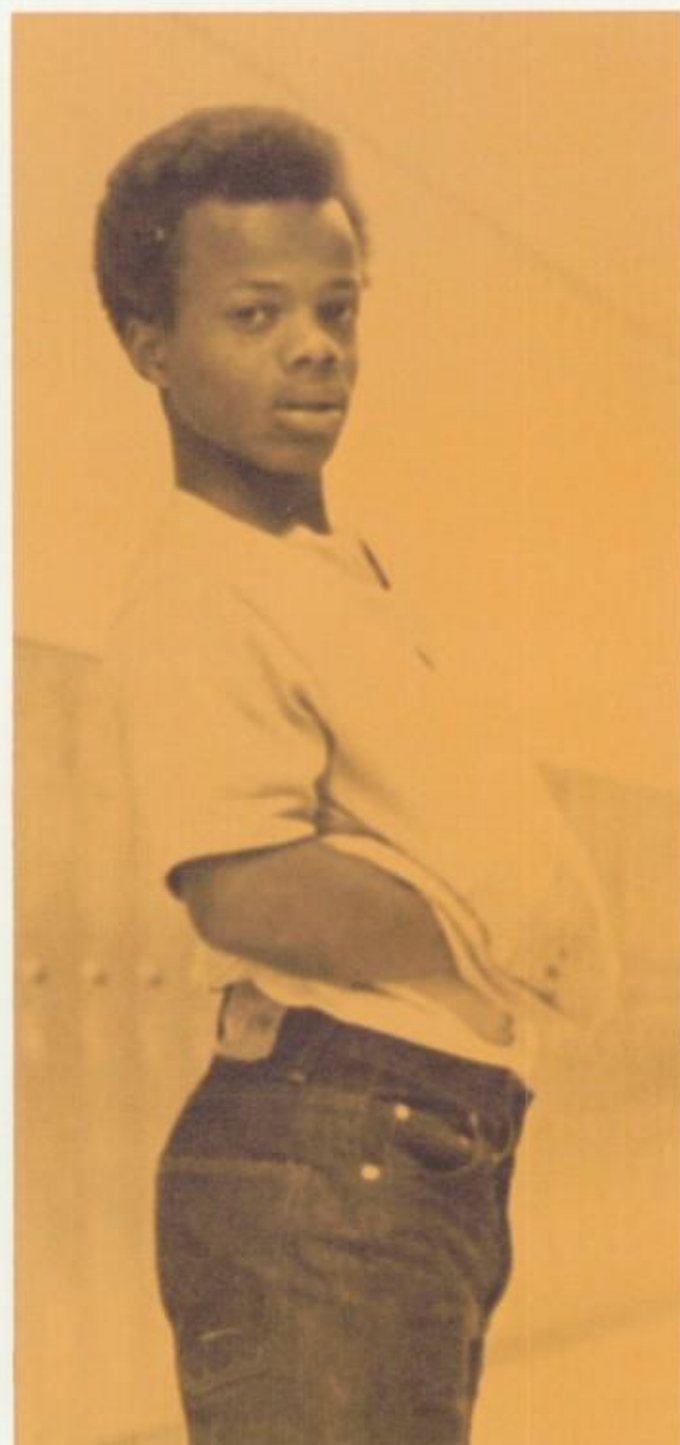

Striving for a foundation
with guidance,
offered by
those who care.

The joys of
being young,
healthy, loud,
quiet, eager,
excited, happy
and sad.

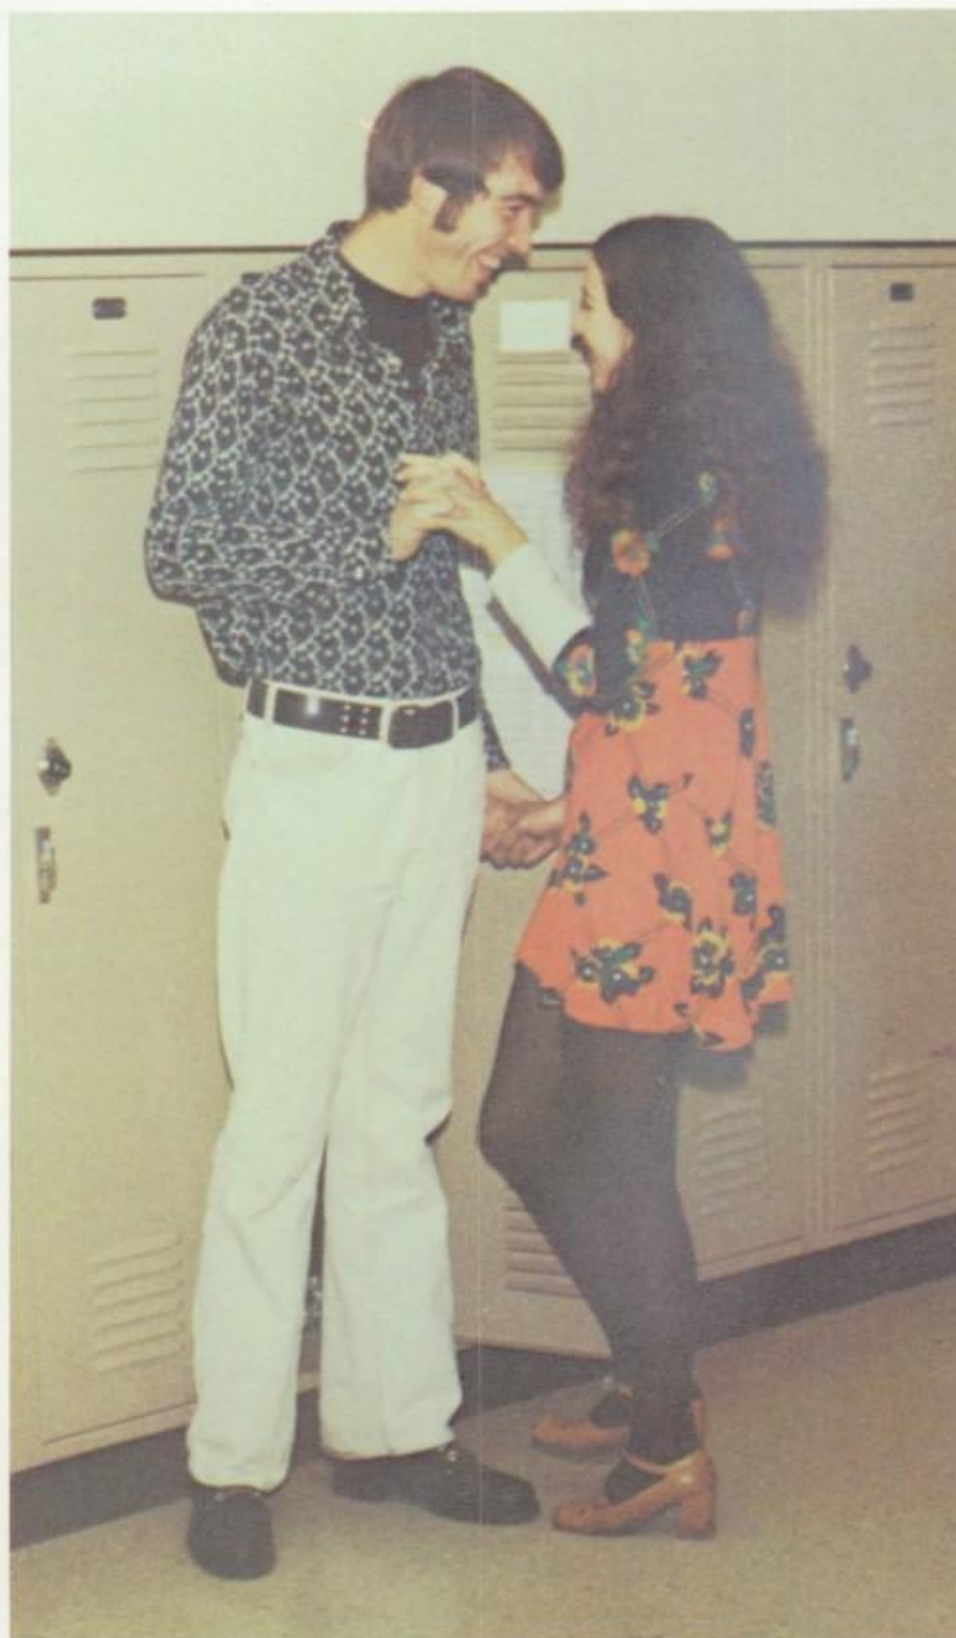

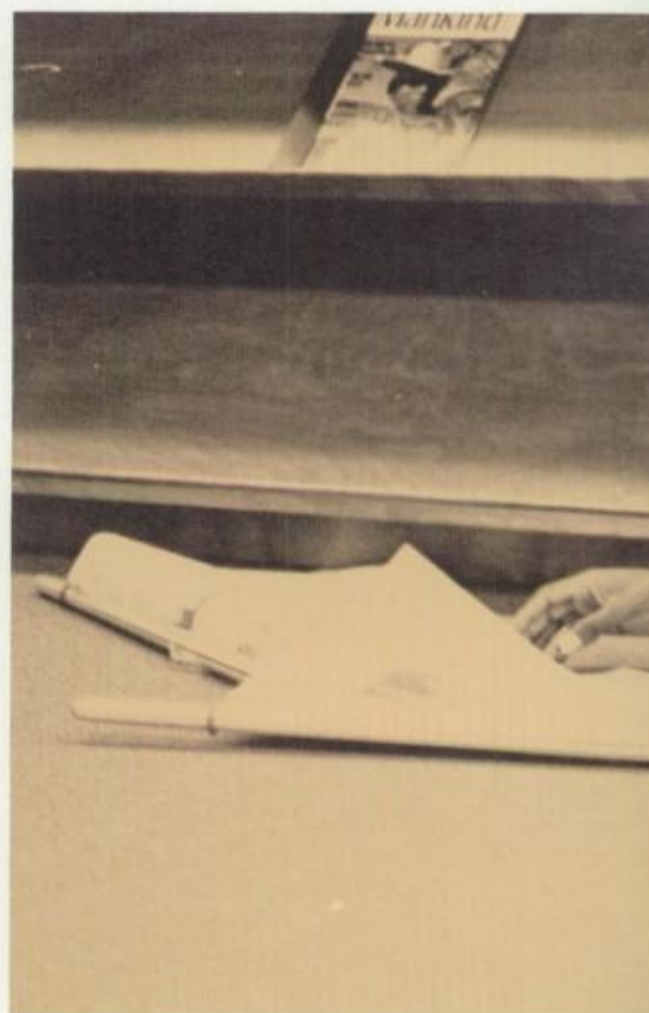

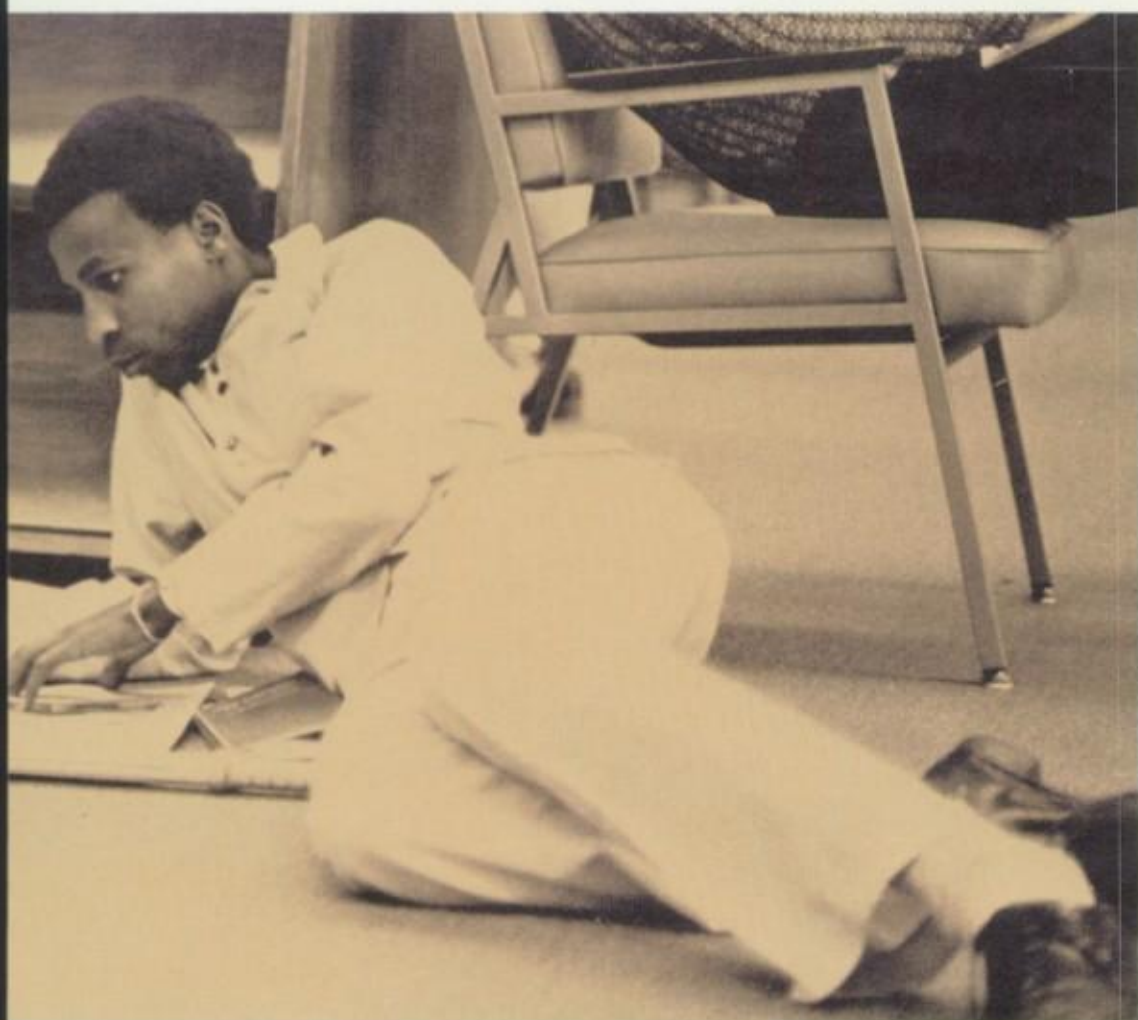

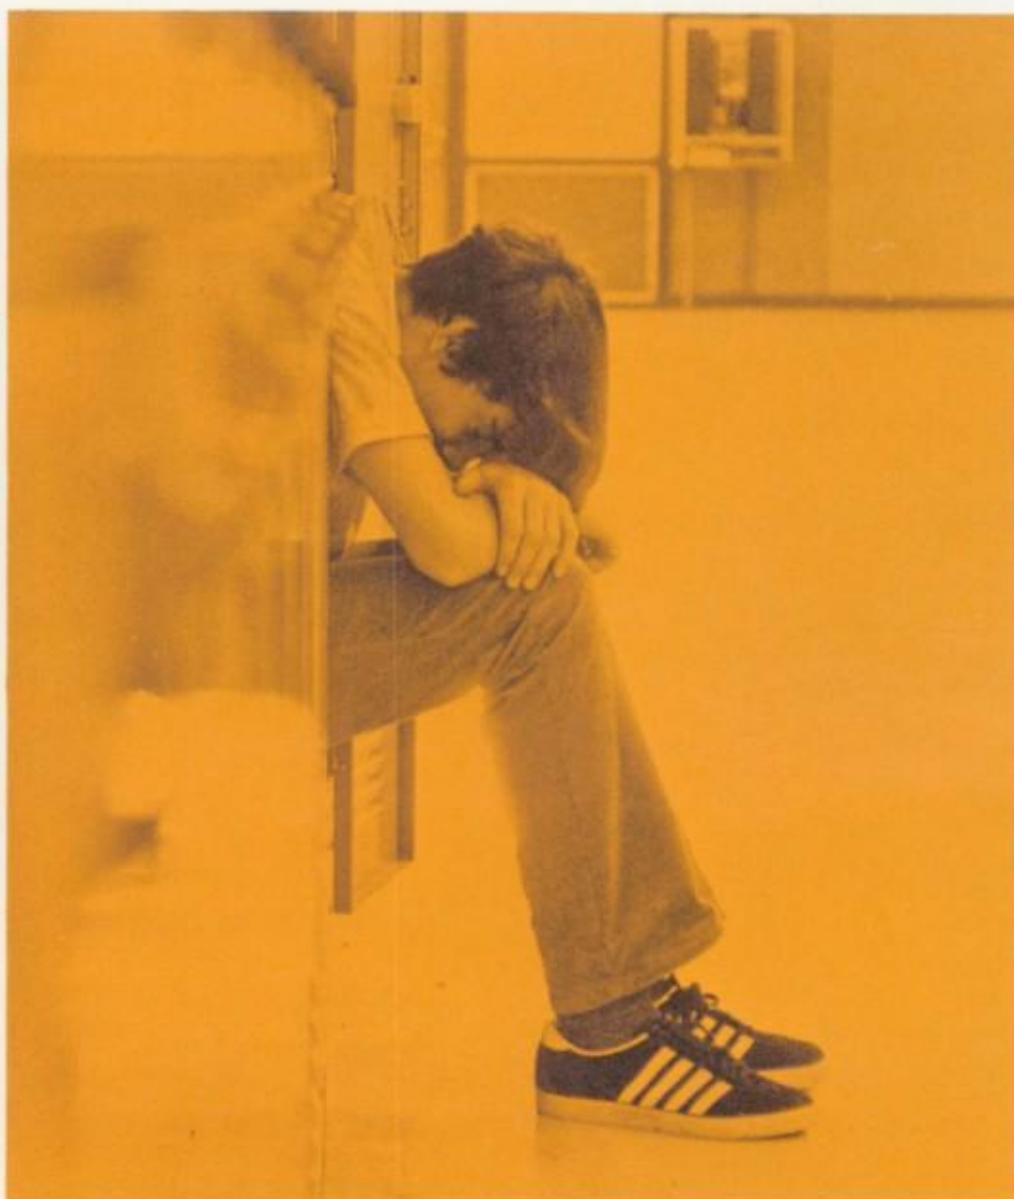

Walking hand in hand,
a special friend,
cluttered halls,
busy conversation.

So many years,
yet so few,
this another one
increasing
understanding.

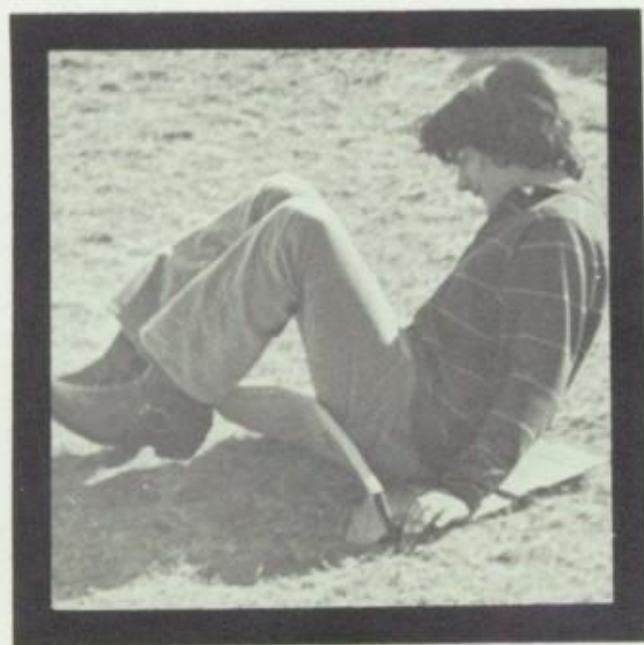

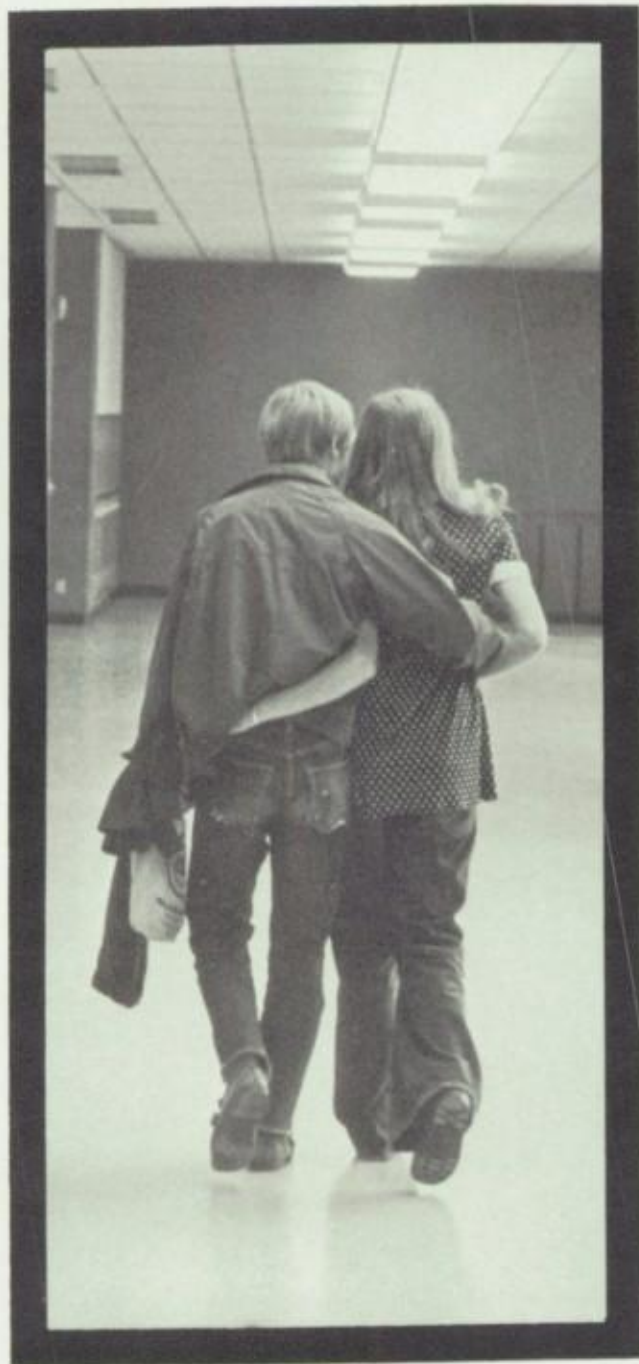

The year's end.
The end of one
phase of life,
the beginning
of another.

Tim Baines concentrates on his next move in a chess game, students respond to a comment brought up in an Open Mike Assembly, the Football team prepares for the next play, Senator Mark Hatfield answers a question from a student, the Freshman show their spirit in class competition during a Pep Assembly. Students - happy, sad, laughing, shouting, concentrating, participating, apathetic, excited, relaxed - all of these are a part of Student Life at Jackson High School.

STUDENT APATHY AND INVOLVEMENT MAJOR CONCERN OF Fall Exec. Board

Chosen for their ability to lead, the Fall Exec. Board concentrated their efforts on student apathy in activities at Jackson. The Exec. Board sponsored the annual 1950s Day, the successful U.G.N. Drive, and evening movies every two weeks, in an effort to promote student interest in activities at Jackson.

Receiving a half unit of credit for being student leaders the Fall Exec. Board meet three times a week and consists of the student body officers and class presidents. Members of the Fall Exec. Board are: Matt Critchett, President; Jeff Wilson, Vice-President; Mary Morrissey, Secretary; Tim Baines, Treasurer; Gary Taylor, Athletic Commissioner; Hal Shepperd, Activities-Publicity Chairman; Jack Elwood, President-Elect; John Marks, Senior Class President; Scott Robertson, Junior Class President; Steve Kaer, Sophomore Class President; and Eric Morrison, Freshman Class Chairman. Mr. Bob Olson is advisor to the group.

REPRESENTATIVES OF STUDENTS DISCUSS PROBLEMS IN Student Senate

Under the leadership of Fall President Jeff Wilson and Spring President Scott Miller the Student Senate functioned as the legislative branch of student government. The Senators were elected from their reg. rooms to served full year terms. Meeting bi-weekly the Senate discussed such topics as mid-morning reg., open campus, vandalism, students rights and responsibilities, and career education. The Senate also sponsored Idea Day which was held in an attempt to learn of student problems and suggestions for improvement at Jackson.

STUDENT INVOLVEMENT LOW IN ELECTION OF Spring Exec. Board

With petitions being turned in on the day before the election and write-in campaigns started for two offices, six new Student Body Officers took office at the end of January. The new officers expressed their desire to improve conditions at Jackson and hoped for greater student involvement in activities and student government.

Serving on the Exec. Board were: Jack Elwood, President; Scott Miller, Vice-President; Jean Cottingham, Secretary; Tim Baines, Treasurer; Lynn Fuchigami, Activities-Publicity Chairman; Dan Burnett, Athletic Commissioner; Andy Balmer, President-Elect; John Marks, Senior Class President; Scott Robertson, Junior Class President; Steve Kaer, Sophomore Class President; and Dan Balmer, Freshman Class President. Mr. Bob Olson served as advisor to the group.

LIMBO CONTEST AND DANCE HIGHLIGHT ANNUAL

1950s Day

Baggy sweaters, pleated skirts, bobby soxs, and leather jackets were the attire on Friday September 22, as Jackson students and faculty returned to the 1950s. At noon a sock hop was held in the gym with students rocking out to the tunes of Elvis Presley and Pat Boone. A new edition to the sock hop was a Limbo contest. Many students tried their skill at the Limbo, but Senior Kim Read proved to be the best by going under the bar lower than any of the other students that participated. Also a rumble was held between the Jets and the Sharks, with no major injuries reported in either group.

That evening the 1950s theme was continued with the '50s group Moondog performing and students dressing again in the '50s styles. The dance was well attended and Seniors Jan Rasmussen and Kim Read were selected as the best dressed couple at the dance. The entire day was enjoyed by everyone, even by those who didn't take part in the fun.

SENIOR DYNASTY PREVAILS FOR FOUR YEARS IN

Powder Puff

The Seniors successfully defended their Powder Puff championship by defeating both the Juniors and the Sophomore in impressive victories. This completed a four year Powder Puff dynasty for the Class of 1973. This year semi-final games were played, with the Seniors playing the Juniors and the Sophomores matched against the Freshman. The Seniors crushed the Juniors easily 40-0, while the Sophomores had a tougher time defeating the fighting Freshman 12-0. This set up a championship game between the Seniors and the Sophomores and a consolation game between the Juniors and the Freshman. In the consolation game the Freshman defeated the winless Juniors 12-0. In the championship game the Seniors opened the scoring in the second period when Carla Piluso picked up a Sophomore fumble and ran it in for the score. Vickie Wear made the 2 point conversion making the score at half-time 8-0. Nancy Cunningham intercepted a pass and returned it 35 yards for the lone Sophomore score. The final score: Seniors 8 and Sophomores 6. This completing a four year Powder Puff dynasty for the Class of 1973.

HOOK'EM, GRAB'EM, LEAD'EM
TO FUN, WAS THEME OF THE

Sadie Hawkins

On Friday evening, November 10, the Jackson cafeteria turned into "Dogpatch" for the annual Sadie Hawkins Dance. The girl ask boy dance was once again sponsored by the Girls League. Students dressed in their finest hillbilly attire to dance to the music of the "Bitter Sweet Jam". Mr. Dalton portrayed the every popular "Marryin Sam" and was busy most of the evening. Many students participated in the pencil pushing, pie eating, and balloon passing contests which were narrated by Mr. Wally Foss. This year Freshman Jeff Gray and Janine Dickey were selected Little Abner and Daisy Mae at the end of the contests. Junior Judy Fortner served as general chairman of this years Sadie. The hard work of the many committees and the good attendance of the dance made this year Sadie a profitable activity for the Girls League.

SENIORS RECEIVE CLASSROOM TEACHING EXPERIENCE ON Senior Teach Day

The purpose of this years Senior Teach Day was to show the students that did participate what is involved in teaching classes. Seniors were required to fill out contracts for the teaching position they wished to fill. The Senior then developed a lesson plan with the help of the teacher for every class which was to be taught. Many of the teaching positions were split into half days because of the large number of students requesting to teach. The administrative positions were all filled by members of the Fall Exec. Board. The teachers lounges and lunch-room were all opened to Senior Teachers. Mr. Roy Carlson, Principal was in charge of this years Senior Teach Day.

YARLETT LEAD "HOMER HUSTLERS"
TO VICTORY IN THIS YEARS

Faculty-Varsity Game

Greg Yarlett, Junior transfer from Florida, led the Varsity Basketball Team to a 72-48 victory over the Jackson Faculty on Tuesday, November 28. "Homers Hustlers" also received inspired plays from Juniors Jim Dulay and Brian Efaw, and Senior John Lausen who controlled both boards. The Faculty was out matched statistically in every department as the Varsity blew the game open in the second quarter. Mr. Mac-Dicken led the Faculty with 12 points and Mr. Dalton followed with 11 points. This game marked the coaching debut of Mr. Dearborn who replaced Mr. Olson as head basketball coach and also, was a preview of the 1972-73 Varsity Basketball Team.

COLD WEATHER GRIPS PORTLAND WHILE STUDENTS FROLIC IN Snow

Classes at Jackson usually begin at 8:00 A.M. but, for a few days in December snow, winds, and freezing temperatures forced school to open at 10:00 A.M. Many student were delighted about the late opening but, it was a headache to most teachers and administrators. Attendance in many classes was sparse and some classes were cancelled because of the lack of teachers and/or students. The classes that were held found their rooms targets for snowballs from students that were out enjoying the six inches of white stuff. School was finally closed on a Friday afternoon because of dangerous road conditions caused by freezing rain. On the following Monday rain was falling, and school opened at 8:00 A.M.

ABOVE FROM LEFT: Senior girls find temporary safety from snowballs in the Senior Lounge. Signs posted on doors stating school opens at 10:00 A.M. were a common sight for a few days in December, as shown here along with Juniors Nora Ryan and Julie Nelson. NEW ADVISOR TAKES OVER DECEMBER PRODUCTION OF "Charlie Brown"

December 8th and 9th were the dates the Jackson auditorium came alive with the cartoon characters from Charles Schultz's popular "Peanuts". Junior Hal Shepperd played the lead as the "blockhead" Charlie Brown, and was supported by the fine acting talents of Seniors Art Harold, Diane Cooper, and Scott Turpen and Juniors Lisa Emmons and Jeff Addington. A sneak preview of the play was given to the student body and the audience was delighted with Art Harold's interpretation of "Supper time". This play also marked the debut of the new Drama Advisor Mr. Al Fearon who replaced Mr. Willson at the beginning of the year. Mr. Fearon, the cast, Music Department, and Stage Craft Class worked long hours and their efforts payed off as they performed before the largest crowd ever to witness a Jackson Drama Department production.

MORNING ASSEMBLY AND EVEN- ING CONCERT PERFORMED BY Free Fare

Free Fare, a Los Angeles based group, was contracted by the Fall Exec. Board to perform at a free morning assembly and evening concert on January 24 and 25. The group combined comedy skits (which included audience participation) and popular rock hits in the performances given for the student body. At the evening concert the group performed an original song entitled "Garbage Can Blues" which included a drum solo. Attendance at the morning concert was good, but the evening concert was attended by only about 450 students as many attended the Rare Earth concert at the Coliseum.

1000 SPECTATORS VIEW THRILLS OF Donkey Basketball

Ten Faculty members and students battled to a 12-12 tie riding on ten not so friendly donkeys in this years Donkey Basketball game. With the rules differing from that of regular basketball, both teams found it difficult to score. The rules require that a player cannot shoot unless he is riding his donkey and that a player must retrieve the ball by dragging the donkey along with him. This seemed to amuse the over 1000 spectators that watched the game. The profits made by this activity went to the Athletic Department and the School Improvement Committee for the purchase of benches.

FROM LEFT: Ted Fisher mounts his donkey after retrieving a basketball. Mr. Simonsen steers his donkey toward the basket. Mr. Dearborn tries to control his donkey. *ABOVE:* Gary Bar-endrick, Senior goes after the basketball. Moving towards the basket is Mr. Rice and Alan Blattman.

RALLIES PROMOTE RAIDERS SPIRIT IN Pep Assemblies

This years Pep Assemblies promoted spirit and encouraged game and team enthusiasm, as their main purpose was to get everyone involved. Both rallies worked together and presented skits like "Wizard of Oz" and "This is Your Life", class competition, spirit thermometers, balloon stuffing contests, pep club dance and flashlight dance, to entertain and involve the student body. Enthusiasm and support grew as a new spirit trophy was presented to the class with the most spirit. Along with the rallies, faculty, student body, and coaches, the Raider pep band provided great lively music for both assemblies and games. As a result of a winning team, spirit, and great Pep Assemblies, this year's game attendance grew immensely.

CALLIGRAPHER LLOYD REYNOLDS GUEST Speaker

Jackson High School was honored one January afternoon to have the distinguished artist, teacher, and internationally known Calligrapher, Lloyd J. Reynolds as a guest lecturer. Mr. Reynolds demonstrated his writing skill by writing out the Roman Alphabet with large pens. A by-play on word origins began with the writing of the word "apocalypse" which Mr. Reynolds explained means "take the lid off" and "discover". Curiosity and finding relationships are certainly important aspects of Reynolds' philosophy, which he shared through anecdotes of his 45 years of teaching.

AFS SENDS ITALIAN AND BRASILIAN Foreign Students

This year Jackson was fortunate to obtain two foreign exchange students instead of the usual one which had become the custom in the past. Seniors Filberto Bracalente (from Italy) and Bino Martin (from Brasil) were selected by the American Field Service to attend school for one year in the United States. Each of the foreign students lived with a family which had been selected in advance and who resided in the Jackson community. Filberto lived with the family of Liz Falconer, Junior and Bino resided with the family of Linc Watson, Senior. Both Filberto and Bino noted that they enjoyed the felxible scheduling and the relaxed atmosphere which is experienced by the students at Jackson. Both Filberto and Bino will leave behind parts of their culture and in return will receive customs of the Jackson community as well as the United States.

IT WAS A YEAR OF CHANGE FOR BOTH OF THE STUDENT Publication Staffs

The Frontiersman and Hermitage staff gained new advisors this year. Mr. Mike Moises, who had been advisor to both publications for four years, left Jackson to travel in Europe. Replacing him were Mr. Fearon, yearbook advisor, Mr. Transure (first semester) and Ms. Horine (second semester) as newspaper advisor. Do to the defeat of the budget both staffs struggled under financial troubles, and many hours were spent during and after school in search of advertising. Also the first year Journalism course was changed into a semester course because of the defeat of the budget.

The Hermitage under the leadership of Kathy Coe, Senior, tried to overcome many staff problems to produce a spring yearbook. Pam Berry, Fall Editor, and Scott Modrall and Jeff Wilson, Spring Co-Editors of the Frontiersman, strived to report the news of Jackson as accurately as possible. Both the staffs worked hard to produce these two student publications for all the students and faculty to enjoy.

Record Breakers

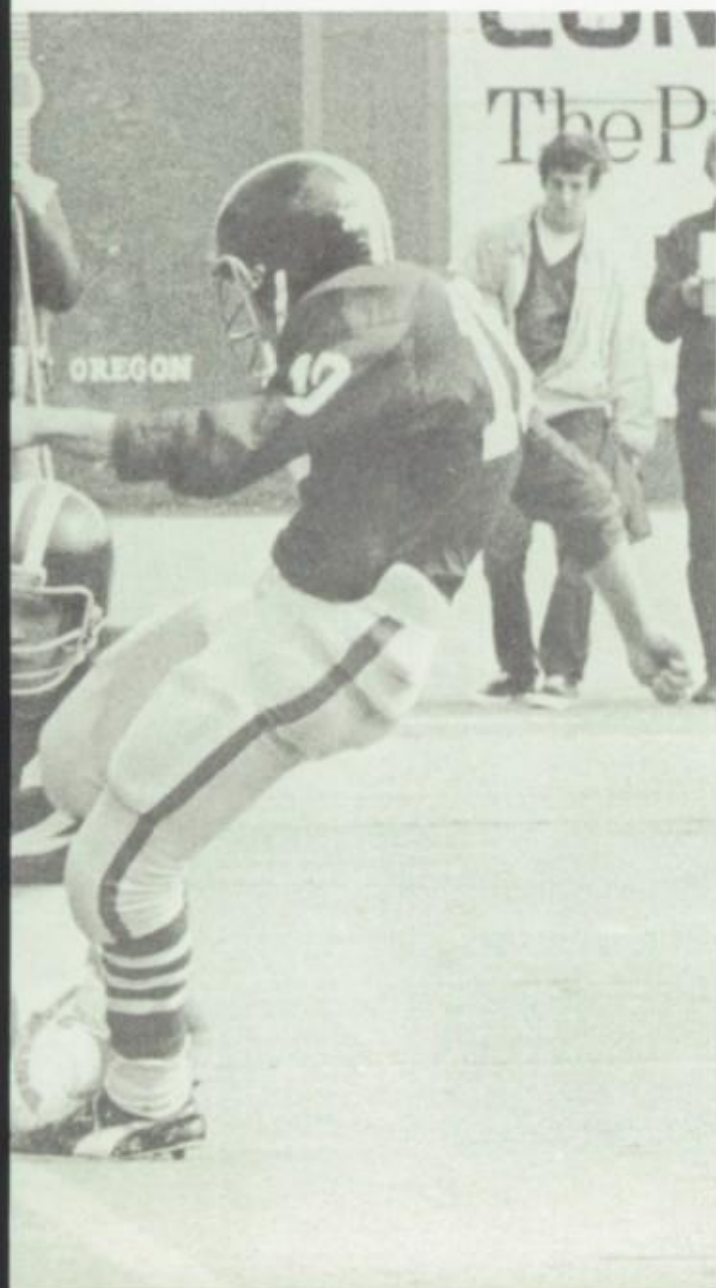

The 1972 Raider Football Team was characterized by togetherness, leadership and discipline. Possessing neither size or speed they used these qualities to establish new team and individual records for Jackson Football.

Their 6-3 record was the best ever for a Jackson team. They scored more points than ever before, 184; while allowing fewer points, 87. The offense had a school game high of 49 points vs Roosevelt; while the defense posted four shut outs.

Individually Dick Day, Mike Paul, Ron Marquand and Dennis Huenergardt established new Jackson Individual School Records. By a team vote Dick Day and Ron Marquand were the outstanding backs; offense and defense respectively; Dan Nordhill and Jeff DeBauw the outstanding linemen, offense and defense respectively. The most Inspirational player was voted to be Ron White and the most Improved was Steve Moshofsky. Mike Paul and Dick Day were voted the team captains.

In post season selections John Lausen was picked 1st team all-city, 1st team all-division and second team all-metro; Jay Richards 2nd team all-city, 1st team all-division; Brain Efaw 2nd team all-city; Ron White 1st team all-division, honorable mention all-city; Mike Paul and Dick Day honorable mention all-city and all-division.

JV's Prove Power

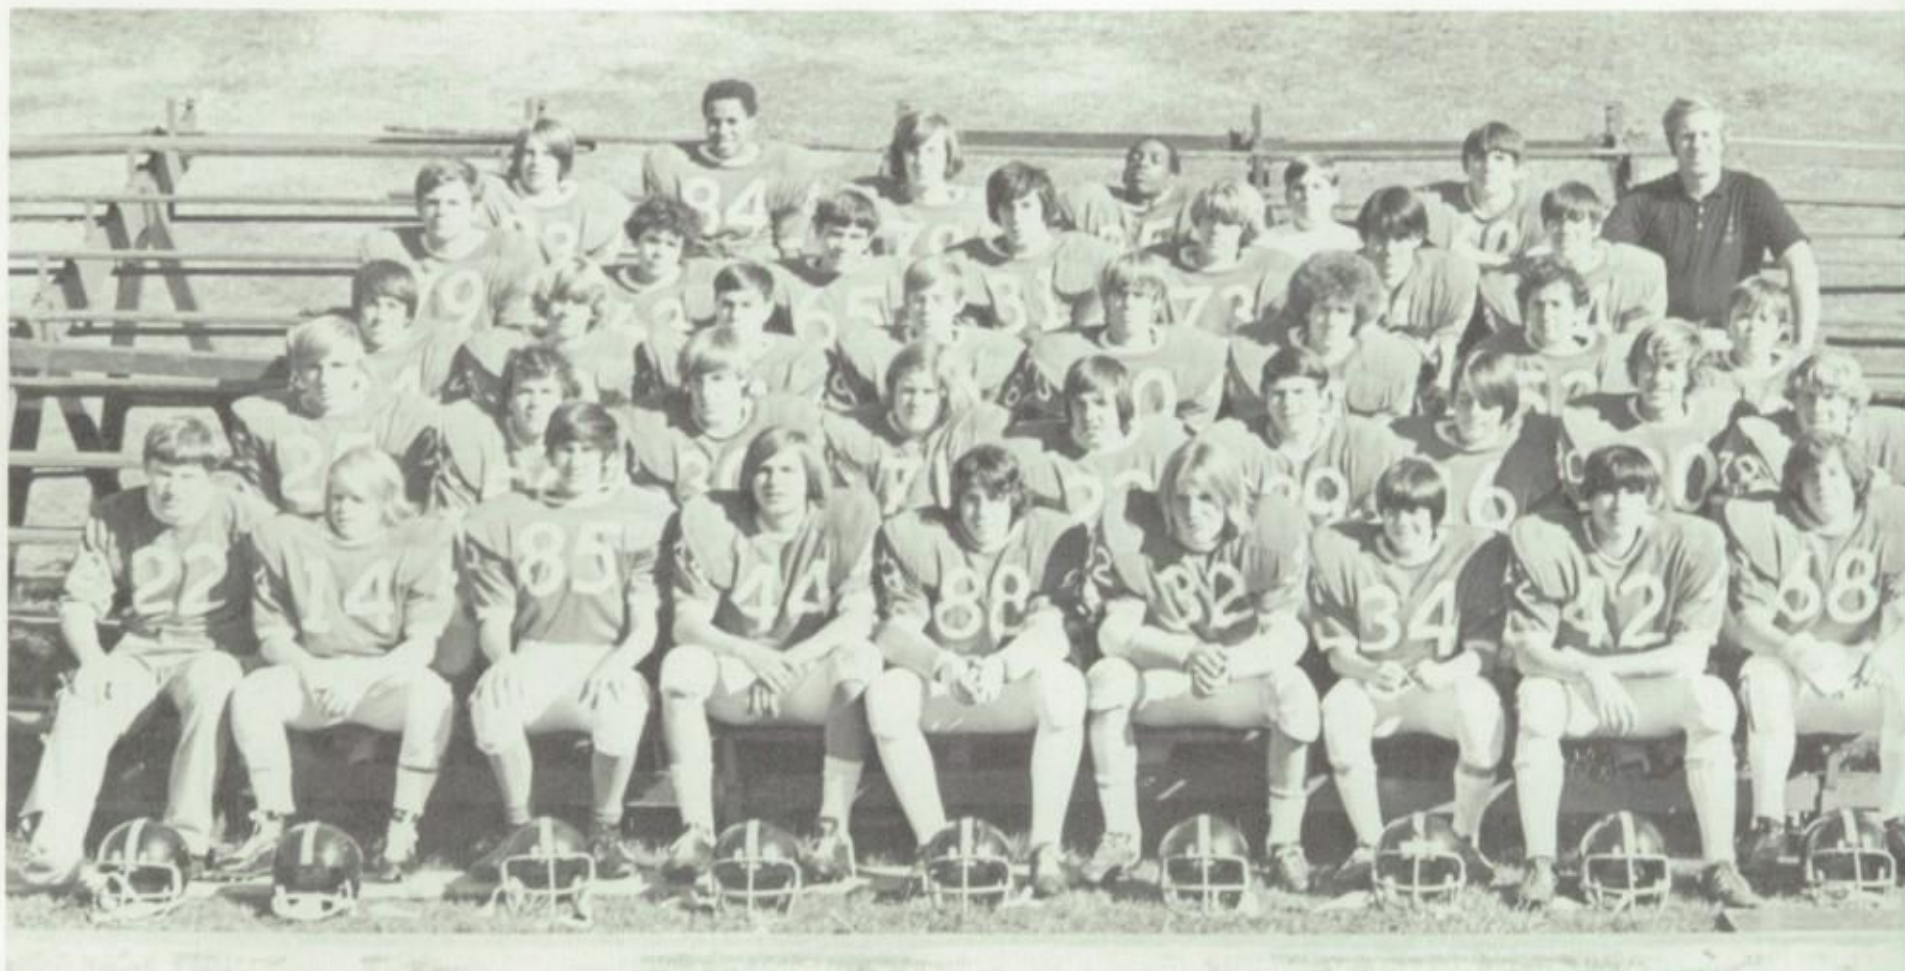

The JV football team ended the season with a four game winning streak and a record of 6 wins 2 losses. The 2nd place Raiders amassed 2,271 yards to the opponents 973. Even in their lone league loss to Wilson (28-20) the Raiders gained 261 yards to 187 for the Trojans.

The Sophomores from Jackson combined a powerful running attack, which was stimulated by fine blocking and an excellent passing game with a crushing defense to fluster opponents. They did not know the meaning of quit and numerous times recovered from an early deficit to crunch their opponents. They accomplished this with hustle, desire, skill and mostly team unity.

Frosh Have Tough Year

The freshmen football season was a tough one with the frosh only winning two games. I am sure they will eventually be a great group, but this year they were held back by a lack of experience. A number of games were lost by mistakes due to greenness. By the end of the season they were definitely looking as good as any team in the city. They were led by such players as Glen Gordon, Steve Heston, Terry DeGeorge, Art McIntire and Jim Cunningham.

There are many other prospects that you will certainly hear from in the future as I am sure that about 25 of these players will become top varsity prospects.

Team Has Strong Season

Led by the team captains Carla Piluso and Linc Watson both Seniors; Jackson's swimmers finished with their most successful season ever.

The Raider Women capped off their season by capturing second place at the city meet. Senior Julie Creary, Junior Robyn Biehler, and Sophomore Michelle Turner, competed individually at State. Creary led the girls at state with a third and fourth place finish in the 100 and 200 yard freestyles respectively.

The men's team this year, had more competitors at the city meet than ever before. This season proved to be the most successful in Jackson history, with a fifth overall at city.

Junior Dave Pattee, advanced to the State Meet by winning the 100 yard freestyle and taking second in the 200 yard freestyle at city. At state Pattee came in with Jackson's strongest finish as he took a silver medal in the 100 yard freestyle.

Cross Country Team Is Jackson's Best Ever

Jackson's Varsity Cross Country team finished the season with a better record than any team of Jackson's has ever had. After taking the West Division Title, with ten wins and two losses PIL record, the team placed third in the City Meet, second in the Regionals Meet, and eighth in the State Cross Country Meet, the best place in State for any Jackson Cross Country Team.

The team, consisting of juniors Caxton Muune, Steve Swift, Cole Woolley, Dan Keller, Doug Fish, senior John Marks, and sophomore Mark Lansing, earned their impressive record by the individual efforts of each member. The individual efforts that made up the team were characterized in the Regionals Meet where the scores were so close that if one of the top six runners had placed behind one other competitor, the team would not have qualified for State.

Caxton Muune, Jackson's outstanding runner, set a new school course record, placed second in both the City and Regionals Meets, and earned sixth place in the State Meet, the best any Jackson Harrier has ever placed. Sophomore Mark Lansing placed an impressive fifth in the City Meet.

Varsity Basketball

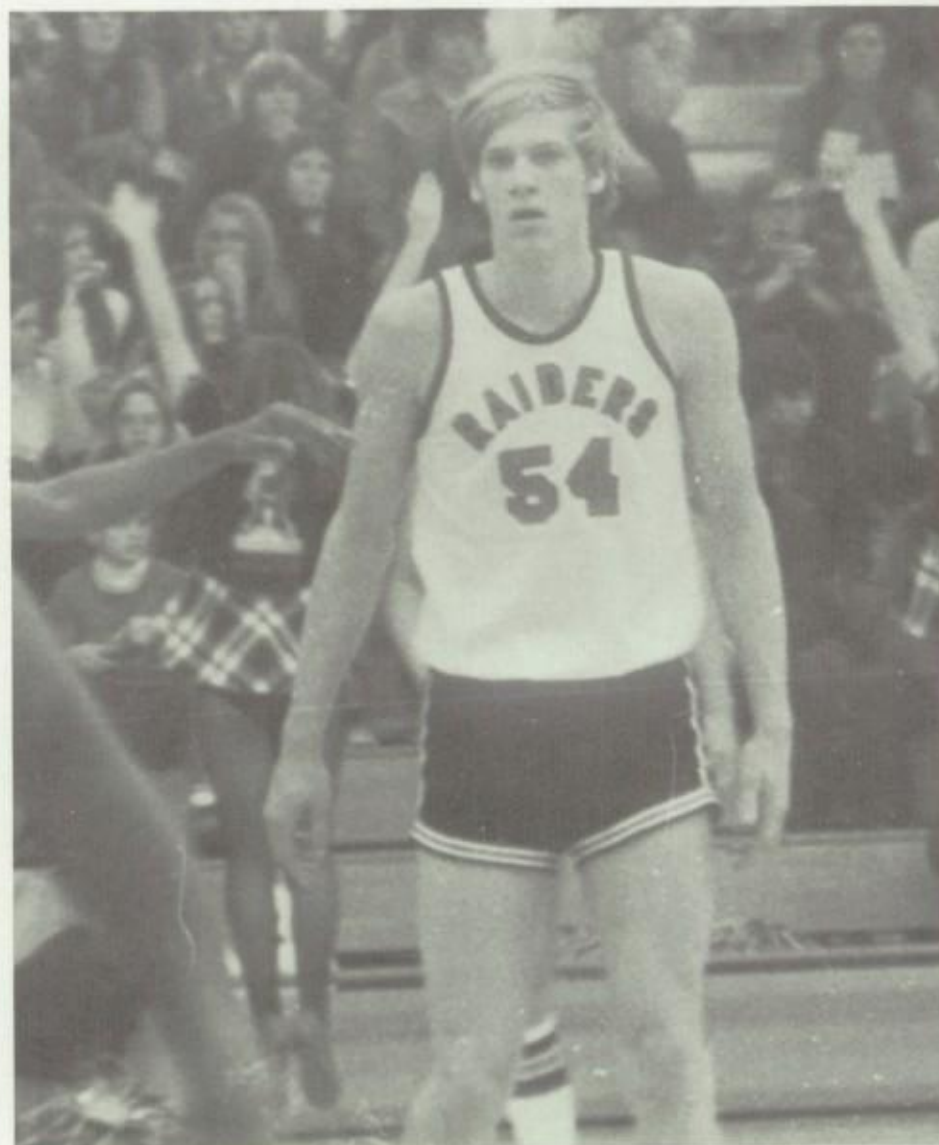

Jackson Basketball on Uphill Trend

Based on confidence, pride, discipline, and spirit the Raider Varsity took a giant stride towards a bright Basketball future.

The much improved Raider squad, coached by a first year coach Tom Dearborn, was lead by Senior playmaker Mike Paul. After acquiring needed confidence early in the year Mike came on to be one of the best guards in the City. Junior transfer Greg Yarlett was scoring leader and the teams emotional leader. Senior John Lausen, much improved from last year, was team leading rebounder and hustler. Strength was added by Dan Nordhill, last years M.V.P. Senior, Richard Boyd, Dick Day, and Bruce Case gave the Raiders the best bench strength ever because of their experience and fine attitudes.

The future will be based on a fine group of Juniors headed by 6'-5" Greg Yarlett, a great scorer, starter and consistant rebounder. Jim Dulay, a 6'-1" starter, consistant scorer, great jumper and probably the best potential on the ball team. Brian Efaw a 6'-1" part time starter, quick and improved and reserves Scott Robertson, Dan Keller, Ken Day and Ron White will add to the strength.

The people coupled together with this years outstanding JV's will no doubt make Jackson a Basketball power of the future.

JV Has Excellent Season

This seasons Team managed the best J.V. record in Raider's history under the coaching of Jim MacDicken. The team was helped by good hustle, strong rebounding and excellent attitude. Some of the outstanding players on the team were Brad Stoffer, a good shooter and rebounder, Tim Breedlove an excellent shot, Mark Paul, a good ball handler and Mark Brocker, a good playmaker, others who stand out are, Lynn Teuscher, Marty Becker, Ron Winn and Eric Tripp.

Frosh Build for Future

The Raider Frosh had a very successful year with a group of enthusiastic freshmen. The team was provided with a great attitude and eagerness to learn. Along with becoming a very closely knitted team.

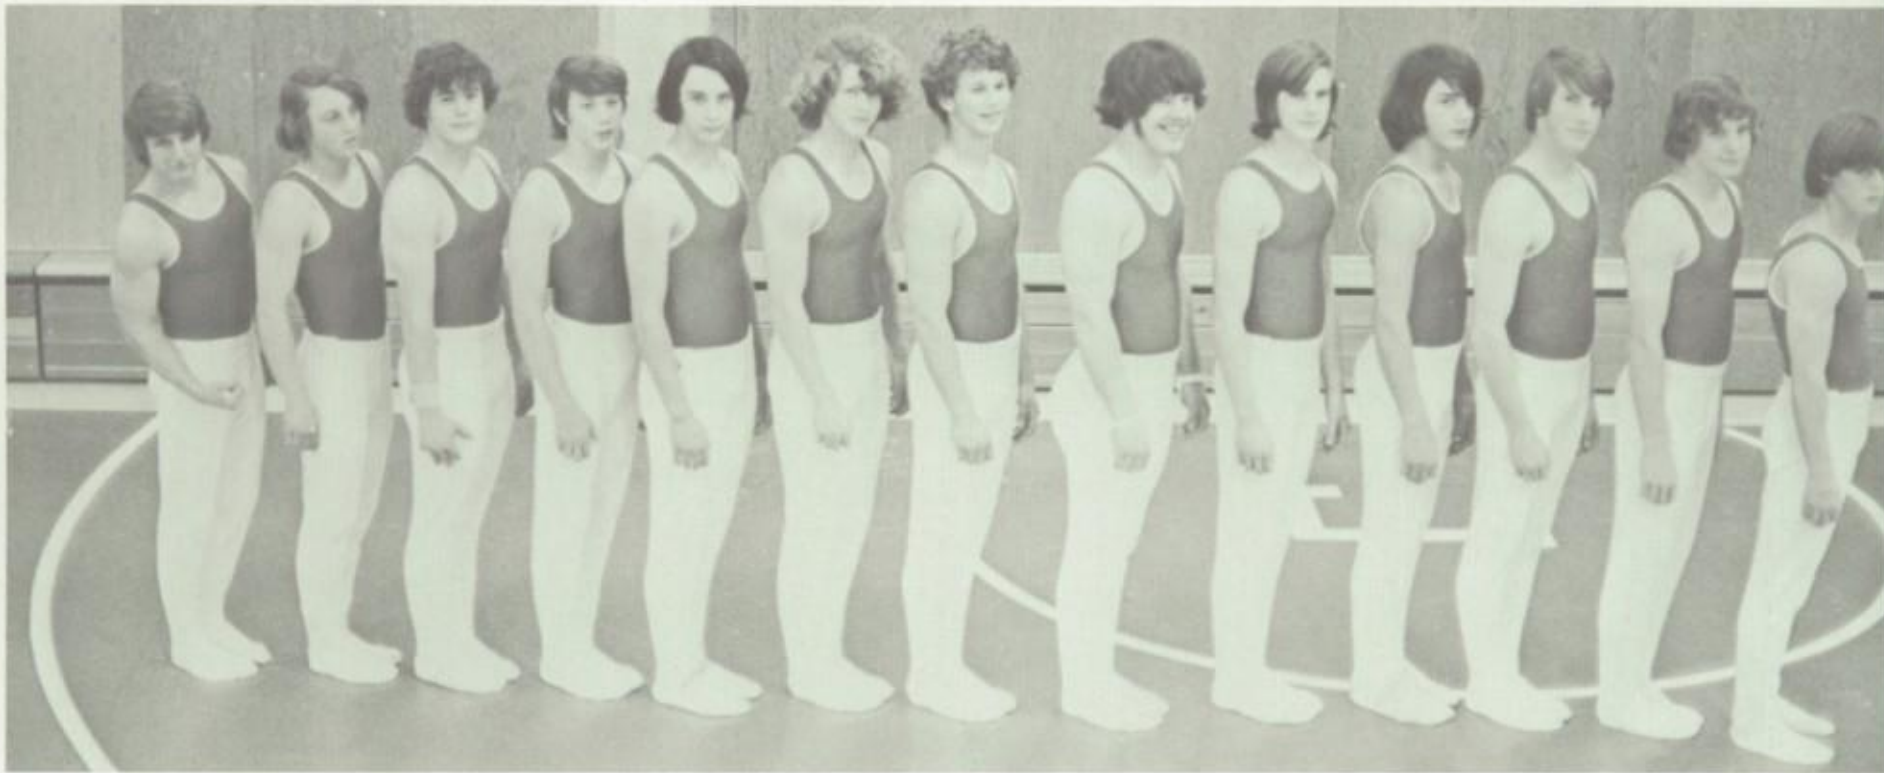

Leadership qualities existed in the following players-Jeff Grey; Guard, Don Larson; Forward, Dave Carnahan; Center.

A team like this is such to be come a great group of basketball players in the future.

Gymnasts Fly High

The 1972-73 boys gymnastics team needed to blend experience with youth. Depending upon Seniors for their first line performers, the team utilized Sophomores and Juniors to add depth. Seniors, like all-arounders Tim Baines and Dave Carlson, specialist Marc Woolley, Kim Read and Jay Richards were the experienced performers. Adding to their knowledge with their youth were Juniors, Norm Dowty and Terry Larsell and Sophomores Duane Baxter, Scott Cannon, Scott Isler and Tom Rasmussen.

This year's team provided many exciting performances during their 9 meet schedule toward the district meet championship held at Jackson.

The team worked hard to return the P.I.L. Team championship to Jackson during it's 9 meet schedule.

Varsity Wrestling

Raiders improve greatly

The Varsity wrestling team was much improved this year having one of the biggest turnouts in Jackson's history, with one person at almost each weight class, something which has cost the Raiders in past seasons. Some of Jackson's better wrestlers this year were John Marks, Jack Elwood, Rich Beugli, John Russell and Gary Taylor.

JV Wrestling

The Junior Varsity team was much improved this year as their record shows. In past years small turnouts have almost eliminated the JV level of competition at Jackson with usually three or four wrestlers competing. Thanks to the best turnout in Jackson's history, the raiders are sporting a full JV team that is fierce in competition. Some of the JV members occasionally wrestle on the varsity level to fill in for injured or sick people. Some of this years outstanding grapplers were: Pat Quigley, Phil Bock, Dan Shulty, and Phil Kalevitch. These people, along with the rest of the JV team compiled the best record in Jackson's history.

Freshmen Wrestling

A year for gaining experience is the way Coach Phleiger describes this season. He explains that the freshman year is usually the time when all our grapplers learn the basics of the sport due to lack of pre-high school training. I really can't pick any students of outstanding ability explains Coach Phleiger, except of course Chris Lindsay who managed an excellent record on the varsity level. We were just a pretty strong team all the way through. Jackson can look forward to a good future if all these freshmen return next year, and we continue to have more teams like this one.

Season Looks Good

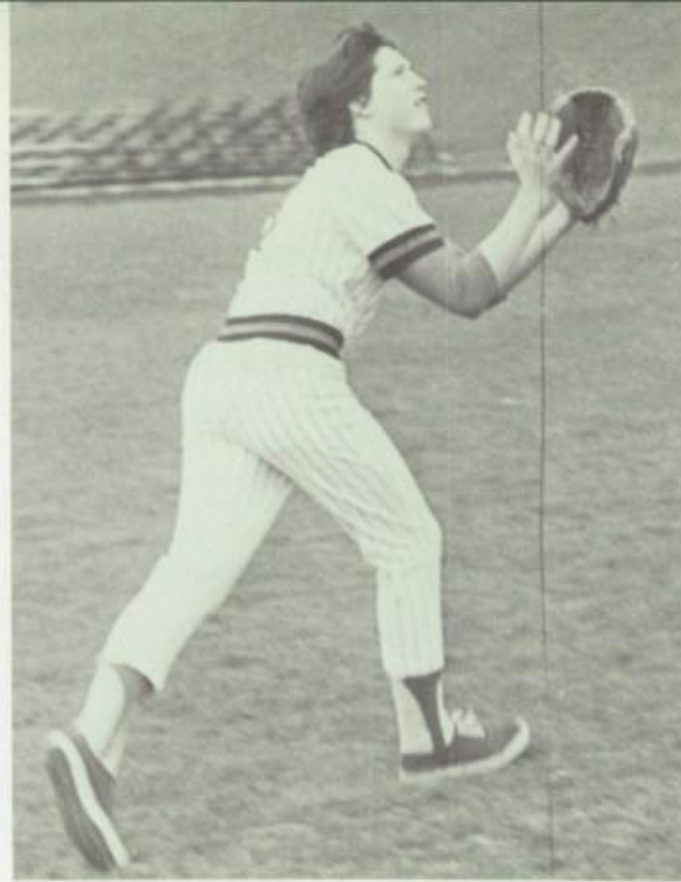

The Jackson Baseball Team should be a strong contender for the City Championship. Losing only one senior from last years team the Raiders have 12 returning lettermen. The big question is the pitching depth. Mike Paul, John Inglesby and John Robinson are the returning pitchers from last year and all these players have varsity experience. The infield should be strong with Craig Piland and Brian Efaw as a key defensive combination. Dan Nordhill and Bruce Case will give the team hitting strength along with Larry Enkelis at third base. The outfield will include Bruce Case, Matt Critchett, Ron Marquand, Steve Peterson, and Dennis Hunergardt.

One highlight of this season will include a trip to San Francisco during the Spring Vacation with the Wilson team. Mr. Bob Olson is returning as coach for his third varsity season.

JV Baseball

We are anticipating a successful season based on last year's freshman success with some help from Juniors. The team will be built around aggressive defense and hustle. We have a good nucleus for a winning season and should have strong pitching with Steve Kaer, Steve Kaufman and Brad Stoffer, sharing the mound duties. The weather will be a strong factor in determining the success or failure once again, and if luck prevails and if we can get outside to hit we will be looking for a strong support from Mark Brocker, Sandon Robertson, Phil Bach and Ron Enkelis.

Freshmen Baseball

The turn-out for freshmen baseball was the largest since the start of Jackson back in 1966. Thirty-one boys of whom fifteen are veterans of both LittleLeague and Babe Ruth competition will furnish the talent for this year's frosh baseball nine. Indications are that competition for starting positions will be very keen with at least three players trying out for each position. Top prospects for this year's pitching staff appear to be Terry DeGeorge, Tom Kerr and Kevin McGill.

Mike French and Glen Gordon will provide experience in the catching department.

The frosh open their season schedule on Thursday, March 29th when they host the frosh nine from Washington High School.

Track is All Go Go Go

Despite the loss of veteran track Coach Dave Bakely the Raider track team continued to be one of the toughest teams in the city under the supervision of new Coach Vic Carlson. The raiders were led by tough returning lettermen who had been responsible for a West Division dual meet title last year. The raiders, who were competitive in all events showed strong suits in the distance races and field events.

Dedication, Desire and the ability to withstand adverse weather conditions were the characteristics that could be seen in all successful raider spikers.

JV Track

On the Junior Varsity level, Jackson's track team will display some definite strengths due to the potential displayed last year by such individuals as Lance Kenyon in the sprints, Tom Cooper in distance events, and Lynn Teuscher in the hurdles. Junior Varsity weight events will be strongly led by Mark Banks, Larry Donner, Randy DeBauw, Scott Anselm and Steve Haynes. The teams greatest weakness this year will be a lack of overall depth which will make it difficult for the JV's to perform equally well in all events.

RIGHT: Sophomore Mark Banks shows good form in putting the shot.

LEFT: Mike Hagimier running the mile.

Freshmen Track

The freshman track team symbolizes a new trend of diversified potential in athletic achievement. Notable aspiration exemplifies themselves in a strong field of distance runners coupled with equal strength in the sprints and field events. This freshman track team will play an integral part in the future success of Jackson's athletic program.

Girls Truck On

This year Jackson's Girls showed their growing interest in Track and Field by participating in both Cross-Country and Winter Track practice. This year they have a large and very talented group of girls. The team consisting of RaeJean Frey, Debbie Statton, Lauri Slenning, and Diane Nelson in distance. Lori Smith in sprints. Lizann Shultz, and Adrienne Bredemeyer in the shot put and discus. Alice Bradwell in the javelin. This is one of the strongest teams we have ever had, commented Mrs. Miller the Girls Track Coach. She feels the team will be strong in running events but will probably excel in the field events. Mrs. Miller looks forward to an excellent season and a promising future track program.

Future Looks Promising

The Raider Golf Team will be surprisingly strong this year. With most of last years squad graduating the future of this years team looked bleak. However, new faces and improved talent may be enough to surprise everyone in the P.I.L. This along with the powerful play of Jim Smith, Junior and the consistency of Rich Beugli, Junior may be sufficient to bring home the City Championship.

Experience for New Coach and Team

The Jackson girls golf team lost several good players from last years squad, but we still have many excellent returning members to be the nucleus of this seasons team. The core of this seasons squad will be Holmes, Fought, Moore, Manning. Several new girls will be working hard to join these girls in representing Jackson High. The girls will be under the direction of a new coach Mike Dalton.

Raider Rackets Are Ready

This year's tennis team looks to be one of the best in Jackson's history. All varsity lettermen are back from last year. They are: Jeff Taylor, Jim Prouty, Tom Hallman, Payne Templeton, Ron Gess, Tom Rasmussen, and Matt Schiewe.

Jeff Taylor came close to going to State last season and has a good chance of making it this year. Other possible contenders for State are Tom Hallman and Jim Prouty.

Coach Larry Allen feels that with this year's experienced players, the team may finish in the top five in the P.I.L.

LEFT: Vicki Wear follows through with a strong serve.

Girls Swing Into Action

If the team's enthusiasm and determination in the ladder tournament for rankings is an indication of the season, it is upward, direct, and powerful.

Leader, Vicki Wear, will show a promising season with the evenly balanced support of her team members.

Chessman Organize

The Jackson Chess Club was formed;
To stimulate interest in chess,
And to organize a team;
To compete against other schools
in the Metro League.
This year our team,
With five outstanding players,
And experience from last year;
Has a great chance to take first place.

NHS Work On Their Own

Use our school for something more,
Than simply sitting on the floor.
The world is yours—expand your mind;
There are infinite things for you to find.

Growth Through Speech

When you learn the rules
You get to use the tools
Tools for better communication
Perfecting your skills in competition
Learning from people throughout the city
Gaining knowledge, friendship, and confidence
Helping the handicapped
Sharing your knowledge with others.
This is what you'll experience in
Speech Honorary.

Think Snow

Heart and mind and body, buoyant, soaring high
a sculptured silhouette, outlined by
the subtle framework of the sky.

Wind and snow and sun
glide by, harmonious, one.

An affirmation of man as god's creation,
delight and exhilaration.

Silver-capped peaks invite symmetry and grace
a threshold to adventure—a symphony in space.

Spirit Inspires Raiders

The pep club has got the spirit,
and know you hear it.

We yell and scream;
hoping the dream: of a winning
team comes true.

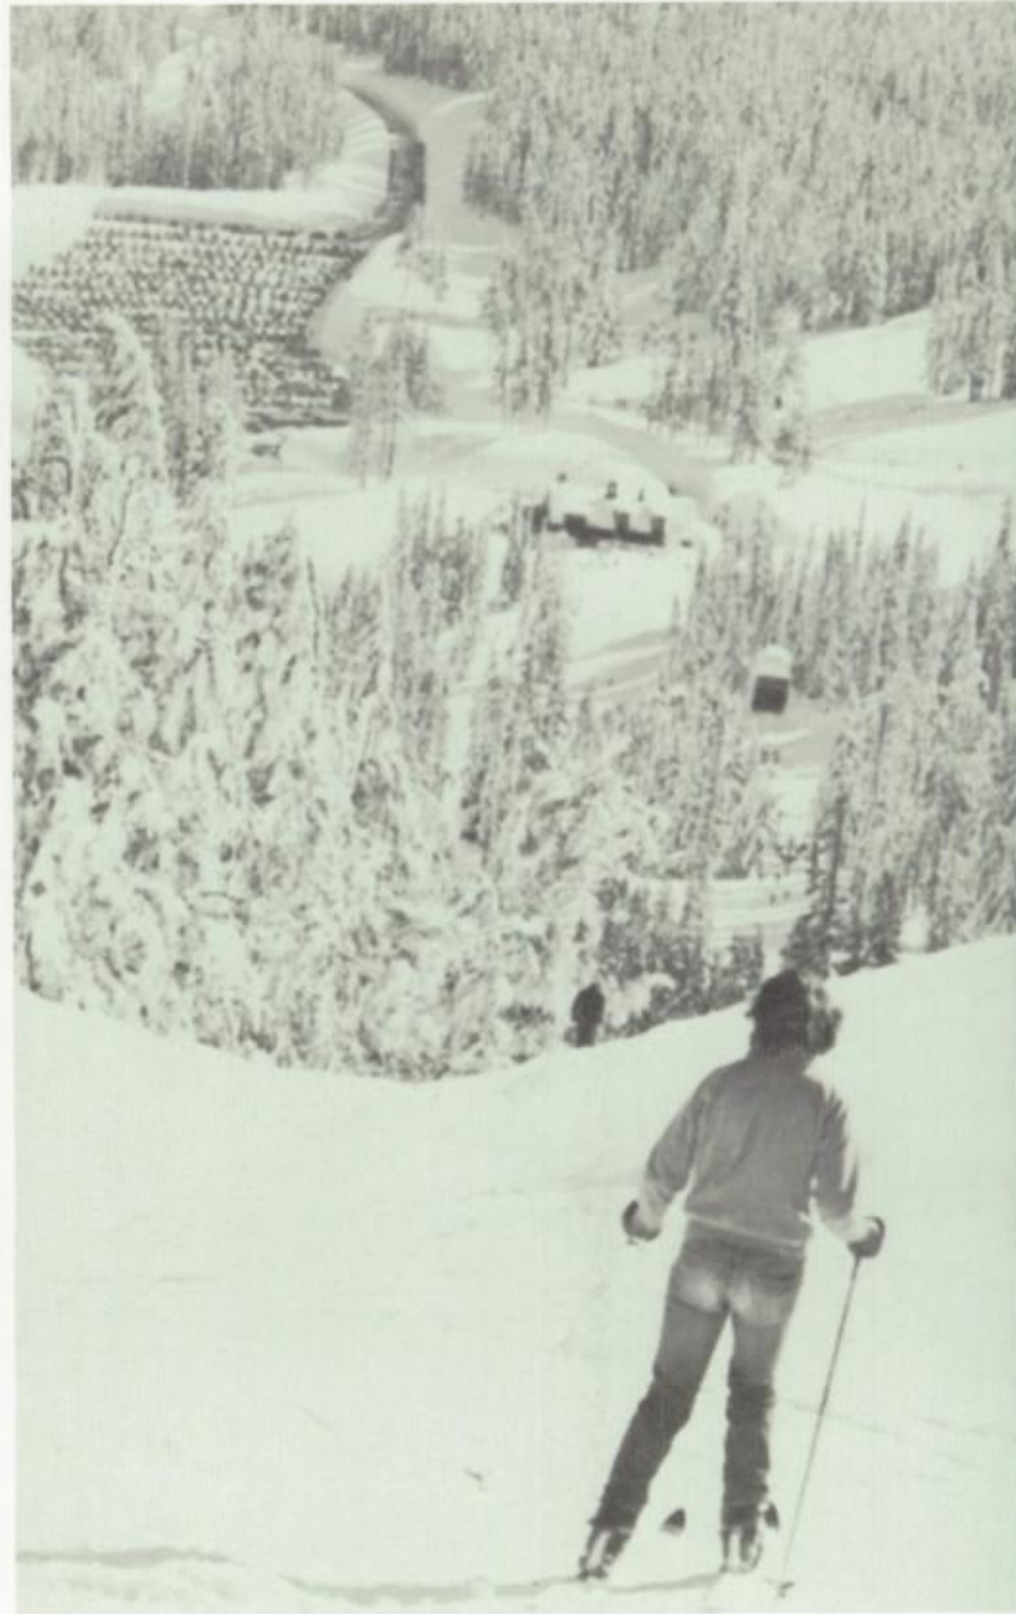

In our uniforms of red,
screaming victory over the Techmen
or Teds.

We then soon hear
our rally's cheer and yell—
Raiders Dynamite-All Right.

BSU And Self-Pride

For those who don't know what BSU stands for,
It is an organization,
It means Black Student Union.
We are here for the purpose of helping
prospective freshman have a sense of
being and feel as equal students.
We wish to help them better themselves
as students at Jackson,
And as members of the Black Community,
To build a sense of self-awareness and
self-pride.

English

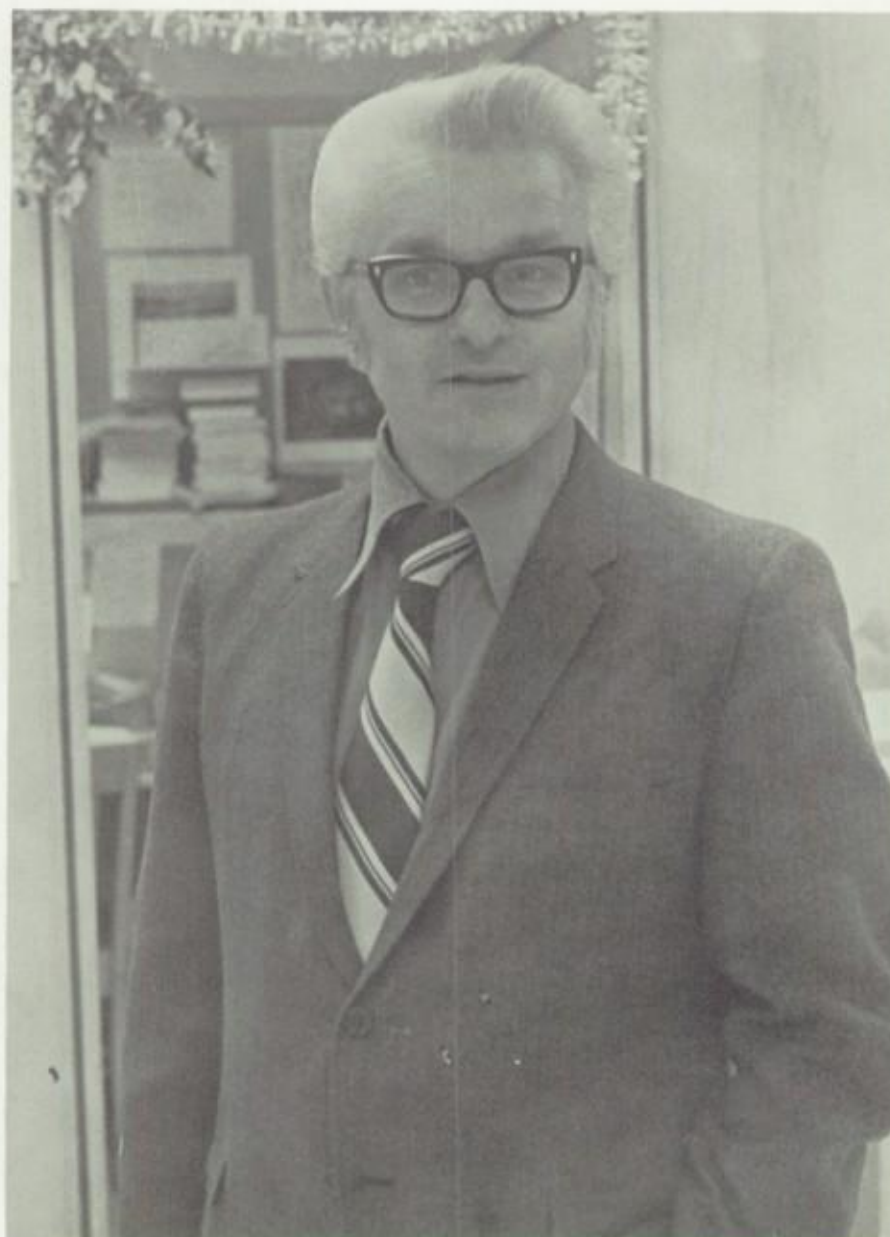

In its seventh year, the Andrew Jackson Department of English is once again tinkering with its program. From last year's experimental quarterly elective program, it has moved to a two-part offering for students: an initial semester of sophomore, junior, or senior English dealing with significant aspects of language, literature, and composition, followed by a semester of a choice of electives, including skill subjects such as effective reading and vocabulary; subject-matter courses in such fields as short fiction, non fiction, and the literature of protest; and activity-oriented courses in drama, speech, and journalism. The basic emphasis of the English program's *method*, that upon student-directed small group discussion, remains unchanged, even though the small groups, as the result of district fait, are some what larger.

In these and in other ways the department continues its tradition of positive innovation. To some observers, such continuance may suggest the English staff can not make up its mind; to the staff itself, it is evidence that the department refuses to give up the search for its ultimate educational objective: the sound fulfillment, insofar as possible, of the individual student's needs.

Social Studies

"For history is more than the record of man's conflict with nature and himself. It is the knowledge which gives dimension to the present, direction to the future, and humility to the leaders of men."

... Lyndon B. Johnson

English and Social Studies

Reading! That's the action word in the ESS Department at Jackson this year. The new developmental reading laboratory has involved all freshmen with programs on the Tach-o-matic, Controlled Reader, Craig Reader, T-Matic and individualized programs for all students.

The first nine weeks of this year have been devoted also to a new SRA Language Arts program dealing with the basic skills in composition and writing. The specific skills involved were punctuation, spelling, capitalization, word usage, topic sentence and paragraph development. A competency test rendered at the end of this program indicated gains by most students. The remainder of the school year in English consisted of units on the novel, short story, mythology, Shakespeare, poetry and drama.

In Social Studies the students started the year with discussion about small groups, group interaction, and the Jackson Philosophy. They were then abandoned to some unknown destination and told to survive. This is a cultural approach to the beginning of a study of civilization. Through this study the students have learned how the many facets of our society came about. The curriculum of the ESS Department is rounded out to give the students an appreciation of literature, insights into himself, an awareness of self, country and the world about him.

Mathematics

Mathematics; a skill, a science, an art form. The Math Department strives toward helping students build their skills toward future career needs, to understand the structure of mathematics, and to feel the beauty of an elegant proof or solution. Above all else the department works toward satisfying the mathematical needs of individual students.

Industrial Arts

The Industrial Education Department at Jackson High School consists of four areas - Auto Shop, Electronics, Drafting and Graphic Arts.

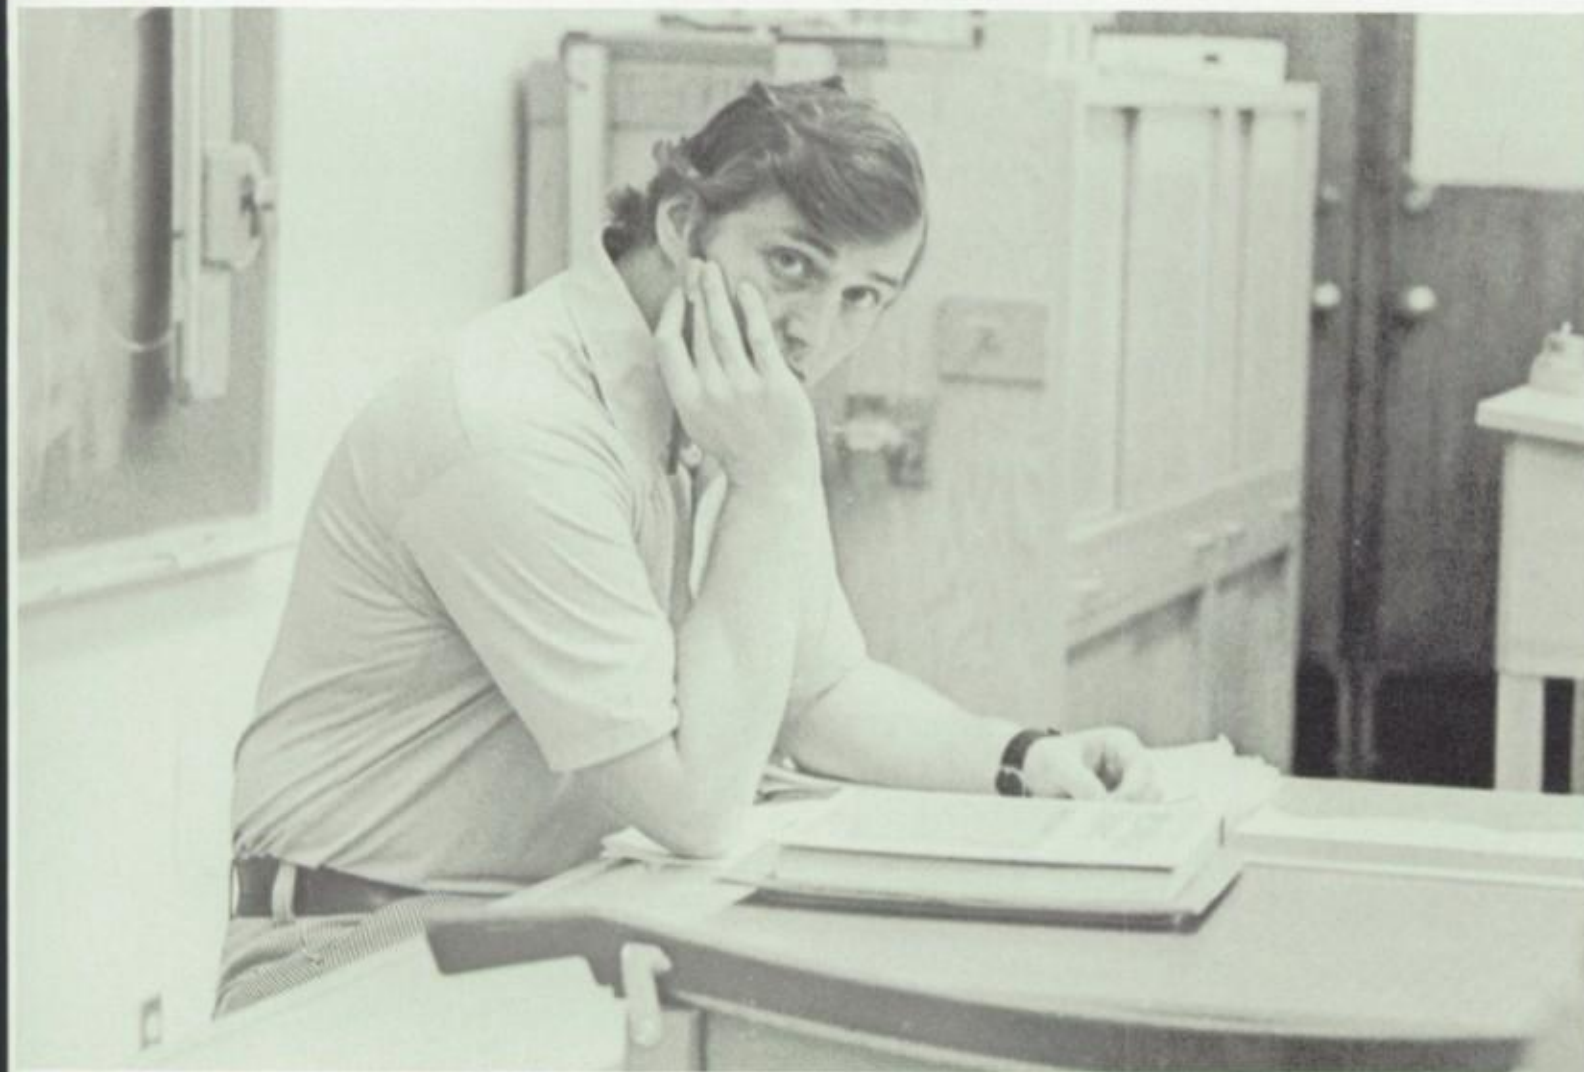

The Auto Shop is now working on a two year program for juniors and seniors. They use the systems approach beginning with small engines and going through automobile overhauls. The instructor, Mr. Dave McQuillan is finishing his third year here.

The Graphic Arts area is under the direction of Mr. Larry Allen. This includes all things pertinent to visual reproduction, offset press, rubber stamp, plater press, layouts, photography, etc.

The Drafting area has a new instructor, Mr. Dale Pfleiger instructs the production and architectural drafting classes.

The Electronics Shop is under the direction of Mr. Charles Hatcher. Students may enroll in two and one-half year courses or three and one-half year courses. The one-half year freshman introductory course - the two following full years - part of this is accomplished by learning packages. This still leaves time for students to construct projects of their own choice.

Science

The Science Department at Jackson High School offered two new courses this year. A new course in Ecology was open to students on a general interest basis and did not require an extensive science background. The new course in Advanced Biology did expect a strong background in the other sciences and only science oriented students signed up for the course.

The Science Department was unable to carry on a rotating program for students in General Science as they did the previous years because of difficulties in both student and teacher scheduling in a limited budget situation. The science teachers took on a extra teaching load in order to "hold the line" and still add the two new courses.

Art

The Jackson Art Department, though smaller this year, finds itself still in a position to work with students toward a better understanding of themselves, their cultural backgrounds, and perhaps some of their needs. With the coming emphasis on career planning for students, we find ourselves thinking about cultural planning. It is more and more apparent that leisure time is growing to the point that some structure toward man's creative nature is needed.

Physical Education

This year the Physical Education Department came out one teacher short, with the loss of Mrs. Metzger. Not only did we lose a teacher, but we were unable to replace her, due to the loss of the election for a new tax base. To cover this shortage, Mr. Lyons was asked to teach Girls Physical Education.

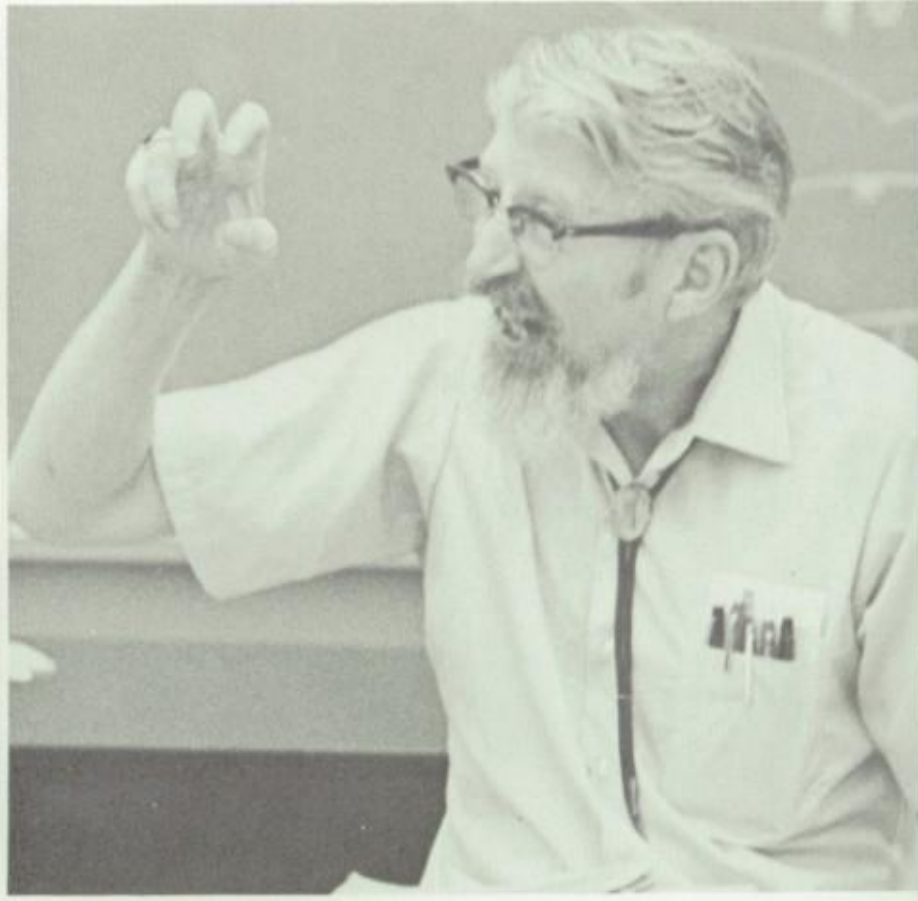

The loss in staff has held us back somewhat in what we are trying to achieve in our program objective, but we still feel we are making gains. At the present time, we are trying to move ahead into an elective type Physical Education program, with more emphasis on the life time sports than we have had in the past. This was initiated with our advanced Physical Education classes this year on a limited bases.

The advanced classes were offered to sophomores on approval of the teachers and open to upper classmen. Within each class, students were offered opportunities to select a variety of activities, which were taught by various teachers. So far we feel this has been of value and we will try to move farther ahead in the future.

Music

Jackson High School's Music Department was unique in Portland this year, being the only co-educational school to have one director for both the Choral and Instrumental Departments. It was, however, a very challenging and rewarding year for both the students and director.

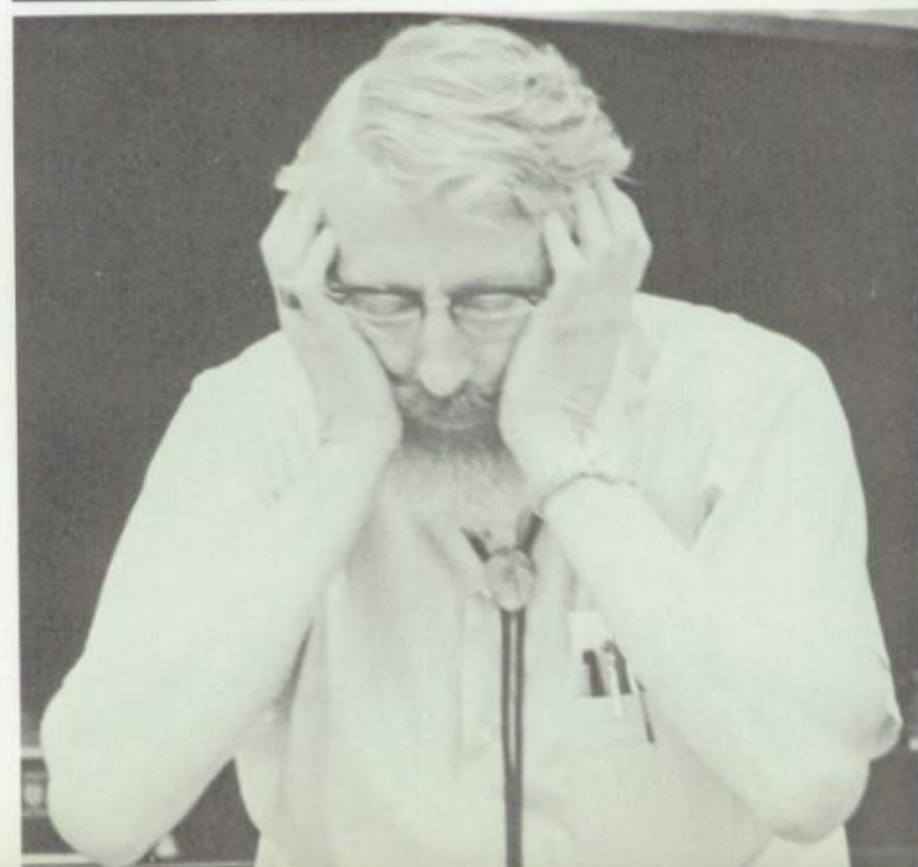

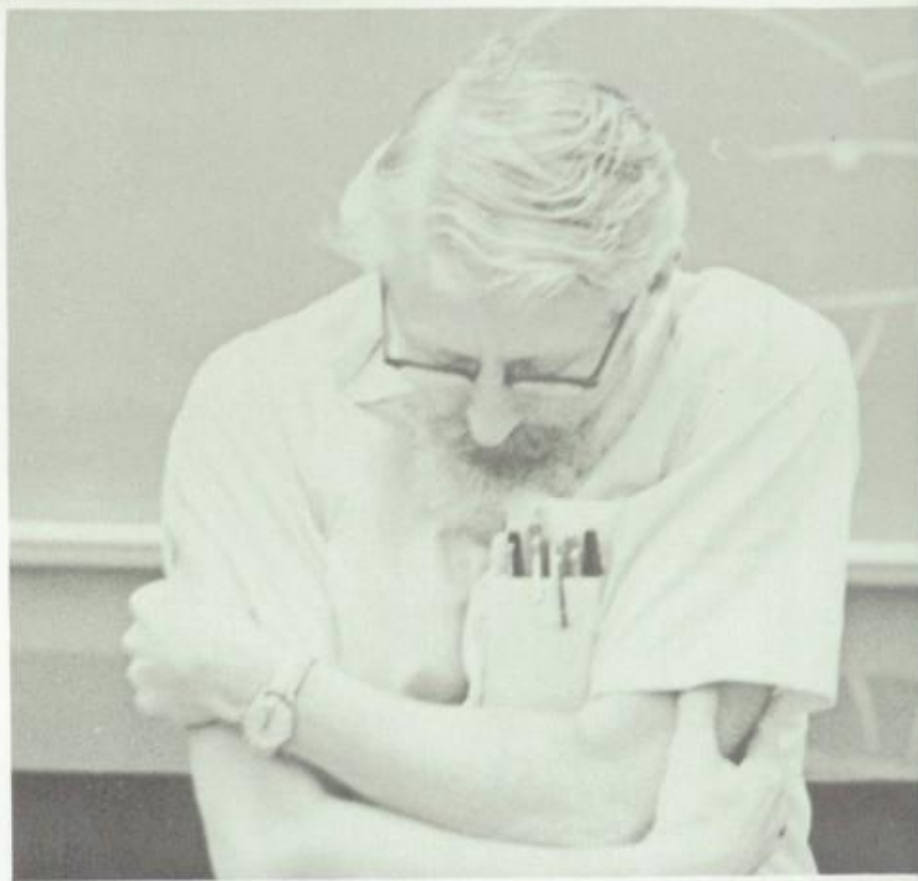

This year's Choir, the largest in Jackson's history, was also the finest. Many fine soloists were also developed through this activity.

The Choir and training groups, combined with the instrumental department in presenting a Fall, Christmas and Spring Program, extra performances, kept the Choir alert and working. The groups were well received wherever they appeared. Jackson's Concert Band was the largest in Area One and also developed into being the best band in Jackson's existence. Student pride, enthusiasm and dedication made it all come true.

The String Class was exciting and had a very successful year. Though this group was few in numbers, it performed well and was well received.

The Music Department wishes to thank the parents and other resource persons, who so willingly gave of their time in assisting it through a very busy year.

Home Economics

In meeting the needs and interests of students at Jackson, the Home Economics Department offers a variety of subjects to provide a practical foundation for better home living. Skills are gained in food preparation, clothing construction, interior decorating and child care through operation of a play-school for pre-schoolers. In addition to regular course work our special activity for the year is making colorful type writer covers for the business department.

Business Education

The Business Education Department offers an opportunity for students to develop skills, abilities, and understandings that will enable them to enter and advance in a given business occupation. Courses are also offered so that students may competently handle their own personal business affairs. Subjects offered to achieve these goals are varied from advanced shorthand to our work experience program.

Dear Students:

*Thank you for having selected us as your official photographer.
We have endeavored to justify your faith in us by doing our best
to please you. We hope that you like us as well as we liked
working for you.*

*In the future, when you have need for good photographs taken by
a professional photographer, whether it be a portrait, special
pictures for special events, a family group, or formals or candid
when you are married, feel free to tell us your requirements.
We have an especially fine service on wedding portraits.*

*We shall look forward to seeing you when you again need photo-
graphs taken by a professional photographer.*

*Let us again express our appreciation for the fine cooperation of
the entire student body. It has made our work with you very
pleasant.*

*Sincerely,

HELP YOUR FAMILY

GRADUATE TO RANCH RECREATION

After camping mid-terms and trailering finals, you and your family can now enjoy your own inexpensive scenic homesite at The Ranch At Ochoco West.

Here, amid 3500 acres of wooded mountain wonderland, we've made sure the environment is fully protected for your outdoor enjoyment. The air is clean and spicy. Pure spring water is piped to your property. A State-approved sewer system protects your health. And 1200 acres of virgin mountain recreation land, including a large lake, is reserved for your riding, hiking, swimming, fishing and rock-hounding fun.

See The Ranch At Ochoco West for the best of Central Oregon recreation enjoyment. Call 244 4758 or 244 4215 today for further information and reservations.

The 1973 Hermitage Staff Wishes to Express Their Sincere Appreciation to:

Mr. and Mrs. Bob Paffrath,
American Yearbook Co.
Mr. Hans Running,
The Photo-Graphics
Mrs. Marian Dukehart,
Jackson High School Bookkeeper
The Kennell-Ellis Studio,
Official Jackson Photographer
Mr. Larry Allen
All of our Fine Advertisers
for their support and patronage,
And to all those who gave of
their time and efforts to help
make this yearbook the greatest
ever
And finally, to ourselves, the
staff, for without our work,
devotion, and dedication you
would not have this yearbook.

The function of the yearbook is to record the events of the past year as they developed from beginning to end. A yearbook is a living reminder that holds deep into its soul, memories of that year, good or bad, happy or disappointing. Whether it be your first, last, or inbetween year, it is a year unique and important to all, for each year is a totally new and different experience gained. These are our beautiful years, and it will be in these pages that those memories we all share will live, saying:

Come back. Remember.
And then go on.

The Years End
